Annual District Registration Fees: In the Southern California district we believe that rewarding quizzers through trophies and medals is a great motivational tool. There are also costs involved in materials to run the quiz program. Thus, registration fees are collected to cover for the awards and material costs. In an attempt to make quizzing accessible to everyone, new churches pay only a limited amount for their first year and veteran churches, which find the fees prohibitive, may discuss the situation with the district coordinator. Registration fees are based on the number of teams you forecast to have during the year and are due by **September 17, 2010**. The fees for the year are as follows:

New Churches \$75.00 per church
Veteran Churches: \$135.00 for the first team
 \$75.00 for each additional team

PLEASE MAKE CHECKS PAYABLE TO: Southern California Children Ministries.
